

Majority DVD Player with HDMI & RCA Ports, Multi Region, Slim Design

- **COMPACT DVD PLAYER:** Small but mighty, the Majority DVD Player is the ultimate device for any movie-loving cinephile. Whether you're bingeing on laugh out loud rom-coms or singing along to 90s rock, the Majority DVD Player can play both DVDs and CDs and comes with a remote control for easy navigation and playback.
- **MULTI CONNECTION:** The Majority DVD Player allows you to connect to your TV via HDMI and RCA.
- **MULTI REGION:** The Majority DVD Player is an international, multi-region, region free DVD Player so is suitable for DVDs from all regions and zones.
- **USB PLAYBACK:** The Majority DVD Player USB port means you can play all your favourite films from USB.
