

*Duca di Morrone*

---

**Men Shoes - FW23**

---

# *The brand*

A collection of **Made in Italy men's footwear**, sold directly from the producer to the consumer without intermediaries, at unbeatable prices. Duca di Morrone selects **high quality shoes** by traveling to the best Italian shoe factories.

As a result, he can offer an anthology of products based on Duca di Morrone original branded models, merged with the street style shoes of other prestigious designers: all of them are proposed to the customers at an **extremely competitive price**, in order to share with the entire world the fashion Italian style that just the Duca can find.

MADE IN ITALY

# *Our products*

## **Quality, tradition and innovation**

The keywords that guide us every day in our mission.

On our online shop you will easily find a shoe that suits you; the classic collection is perfect for more formal occasions, but remember that fashion is versatile and our casual collection could reserve some pleasant surprises for those who want to be on top in every situation.

## **Italian style, Italian production.**

Footwear made with a mix of quality materials such as genuine leather by our Italian craftsmen, for unrivaled comfort. Our collection is dedicated to you who don't want to give up things made well with love by our expert craftsmen.
