Price: **£16.00** (€16.00 / count)

FREE Returns

- **All Natural Oil Control** - Super cute spot treatment for face stick that'll become your mattifying best mate! Tame your T-zone with Tapioca Starch from the cassava root, which soaks up unwanted oil with only a simple and natural face care process.
- **Even Out Complexion** - Claim your superb smooth skin with the help of the ginger root extract of our blemish removal cream. This spicy super root help to ease the skin texture and tighten pores, while working on dark spots, scars and blemish control.
- **Never Dry Out** - Teenage skincare is all about never leaving your skin dry, that's why our blemish stick includes coconut oil, rich in Vitamin E, so you never suffer from a dry-out complex. This spot cream also helps keep your facial cells protected.
- **Simple Application** - After moisturising, swipe the spot stick over the T-Zone or any oily areas, and never forget to re-use this teenage skin care solution daily to keep unwanted shine at bay. Excellent oil control moisturiser for all skin types!

2,000pcs x My Olivanna T-Zone Stick, Blemish Treatment.....Selling on amazon for £16

About this item

- **Wake Up Tired Eyes** - Under eye cream with a unique blend of active ingredients to refresh tired eyes even after an exhausting exam-studying night! The green tea extract has awesome antioxidant eye bag removal properties for soothing delicate skin.
- **Dark Eye Circle Treatment** - Delicate eye cream for dark circles and puffy eyes with elderflower extract to keep them luminous. Our specially formulated sensitive eye cream helps to de-puff overnight exhaustion from eyes with potent all-day treatment.

HERO INGREDIENTS

GREEN TEA EXTRACT
An awesome antioxidant that's great for soothing delicate skin.

ELDERFLOWER EXTRACT
Helps to reduce puffiness and the appearance of dark circles.

SWEET ALMOND OIL
Keeps everything soft and smooth thanks to its high content of omega 6 and 9 plus vitamins A, B1, B2 and B6.

HYALURONIC ACID
A hydrating hero that draws moisture into the skin to stop it from drying out.

98%
agreed the product left skin hydrated.

96%
agreed the skin around their eyes felt instantly soothed.

88%
agreed eyes look more awake and revived.
