	IVORY	AZANITE - ACRYLIC SOLID SURFACE SHEETS - Mineral filled composite material, Homogeneous, non-porous materialsuitable for Industrial / Buliding facelifts, Fabrication, CNC machining, Thermoforming and Interior applications.	30% PMMA (Polymethyl Methacylate) and 70% Aluminium Tryhydrate (ATH)	480	48	200 x 300	2.880	245,00 €	705.600,00 €
	LUCID GREY	AZANITE - ACRYLIC SOLID SURFACE SHEETS - Mineral filled composite material, Homogeneous, non-porous materialsuitable for Industrial / Buliding facelifts, Fabrication, CNC machining, Thermoforming and Interior applications.	30% PMMA (Polymethyl Methacylate) and 70% Aluminium Tryhydrate (ATH)	600	60	200 x 300	4.479	245,00 €	1.097.355,00 €
	LUCID BLACK	AZANITE - ACRYLIC SOLID SURFACE SHEETS - Mineral filled composite material, Homogeneous, non-porous materialsuitable for Industrial / Buliding facelifts, Fabrication, CNC machining, Thermoforming and Interior applications.	30% PMMA (Polymethyl Methacylate) and 70% Aluminium Tryhydrate (ATH)	410	41	200 x 300	2.460	245,00 €	602.700,00 €

	BROWN	AZANITE - ACRYLIC SOLID SURFACE SHEETS - Mineral filled composite material, Homogeneous, non-porous materialsuitable for Industrial / Buliding facelifts, Fabrication, CNC machining, Thermoforming and Interior applications.	30% PMMA (Polymethyl Methacylate) and 70% Aluminium Tryhydrate (ATH)	10	1	200 x 300	60	245,00 €	14.700,00 €
	DOVE GREY	AZANITE - ACRYLIC SOLID SURFACE SHEETS - Mineral filled composite material, Homogeneous, non-porous materialsuitable for Industrial / Buliding facelifts, Fabrication, CNC machining, Thermoforming and Interior applications.	30% PMMA (Polymethyl Methacylate) and 70% Aluminium Tryhydrate (ATH)	420	42	200 x 300	2.520	245,00 €	617.400,00 €
	DARK GREY	AZANITE - ACRYLIC SOLID SURFACE SHEETS - Mineral filled composite material, Homogeneous, non-porous materialsuitable for Industrial / Buliding facelifts, Fabrication, CNC machining, Thermoforming and Interior applications.	30% PMMA (Polymethyl Methacylate) and 70% Aluminium Tryhydrate (ATH)	200	20	200 x 300	1.200	245,00 €	294.000,00 €

	LUCID WHITE	AZANITE - ACRYLIC SOLID SURFACE SHEETS - Mineral filled composite material, Homogeneous, non-porous materialsuitable for Industrial / Buliding facelifts, Fabrication, CNC machining, Thermoforming and Interior applications.	30% PMMA (Polymethyl Methacylate) and 70% Aluminium Tryhydrate (ATH)	360	36	200 x 300	18.861	245,00 €	4.620.945,00 €
